

### III. Educational Services

#### A. Four-year Colleges and Universities

1. Alabama State University

915 S. Jackson Street, Montgomery, AL 36104  
(334) 229-4200, (334) 834-6861

Alabama State University provides quality undergraduate and graduate instruction, which will lead to degrees in liberal arts, the fine arts, business, the sciences, teacher education and other professions. The University's general objective is the preparation of students for an effective and productive role in American society as professionals and as citizens.

2. Auburn University

Auburn, Alabama 36849  
Phone: (334) 844-4000

Located deep in the rolling hills of East Alabama, Auburn University is one of the South's premier land grant institutions. In 1856 the university first opened its doors for 80 students and a faculty of six. Today Auburn is the largest university in Alabama, with an enrollment of approximately 22,000. Students hail from all 50 states and nearly 100 foreign countries. Auburn offers academic degrees in agriculture, architecture, business, education, engineering, forestry, human science, liberal arts, nursing, pharmacy, science, mathematics, and veterinary medicine.

3. Auburn University Montgomery

7300 University Drive, Montgomery, AL 36117-3596  
(334) 244-3602; (334) 244-3920

Today, offering academic majors and pre-professional programs in more than 90 areas of study, AUM strives to serve the needs of both the traditional and nontraditional student with an energetic and hard-working faculty and an administration sensitive to the needs of the community and AUM students.

4. Faulkner University

5345 Atlanta Hwy., Montgomery, AL 36109-3398  
(334) 260-6257, (334) 260-6107

The purpose of Faulkner University is to provide quality higher education that will promote both the spiritual and physical success of the individual. The scope of this quality education encompasses academic growth and spiritual maturity for all who are within the university's sphere of influence.

5. Huntington College

1500 E. Fairview Avenue, Montgomery, AL 36106-2148  
(334) 833-4409, (334) 833-4314

Huntingdon College is a community of faith, wisdom, and service preparing skilled leaders to serve a new world. Huntingdon serves the United Methodist Church and the Southeast, providing an outstanding liberal arts education in an atmosphere that supports spiritual growth and inquiry.

6. Southern Christian University

1200 Taylor Road, Montgomery, AL 36117  
(334) 277-2277, (334) 271-0002

Accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the Bachelor of Science, Bachelor of Arts, Master of Science, Master of

Arts, Master of Divinity, and Doctor of Ministry Degrees, SCU has been providing distance-learning programs since 1993.

7. Troy State University Montgomery

231 Montgomery Street, Montgomery, AL 36104  
(334) 241-9537, (334) 241-9591

TSUM is an adult evening institution catering to the needs of the adult learner. Faculty members conduct their classes in such a way as to capitalize on the experiential learning brought to the class by the students. In this way, students participate to the fullest extent in their own learning and in that of their classmates.

8. Troy State University at Phenix City

One University Place, Phenix City, AL 36869  
Telephone: 334-297-1007 / 1-866-TroySTPC

The Phenix City branch of Troy State University was established in 1975. It is accredited by the Southern Association of Colleges and Schools. The Phenix City branch offers a wide range of graduate and undergraduate courses and is known for its responsiveness to the needs of students. Troy State is known as a comfortable place where the faculty and staff are geared toward helping you reach your goals.

9. Tuskegee University

Tuskegee, AL 36088  
Phone: 334-727-8011 / 1-800-622-6531

Private 4-year college Founded in 1881 by Booker T. Washington, for the training of black teacher. Major bachelor degree programs: Engineering, business, biological sciences, psychology, health professions.

**B. Community and Technical Colleges**

1. Prince Institute of Professional Studies (Montgomery)

7735 Atlanta Highway, Montgomery, AL 36117  
(334) 271-1670 or 1-877-853-5569, Fax: (334) 271-1671

Prince Institute of Professional Studies is a private, 2-year institution. Its mission is to offer the best educational and training program possible, within the constraints of its resources, to enable graduates to take to the marketplace the highest possible level of job knowledge and skills. This level of knowledge and skills enables graduates to fill highly skilled and rewarding positions of responsibility.

2. South University (Montgomery)

5355 Vaughn Road, Montgomery, AL 36116  
(334) 395-8800, (334) 395-8859

South University's 3.75-acre Montgomery campus is located on the rapidly growing east side of Montgomery. SU offers Associates and Bachelors degree programs in the fields of business, health sciences, information technology, and legal studies. Small classes are the norm, and students receive personal attention from faculty and administrative staff.

3. Trenholm State Technical College

Trenholm Campus:  
1225 Air Base Blvd., Montgomery, AL 36108  
(334) 832-9000, Fax: (334) 832-9777

John M. Patterson Campus:  
3920 Troy Hwy., Montgomery, AL 36116  
(334) 288-1080, Fax: (334) 284-9357

A comprehensive two-year technical college located in Montgomery, Alabama, Trenholm Tech has two principal campus locations; the Patterson Campus and the Trenholm Campus. The College provides technical certificate and degree programs; adult learning opportunities; civic, social, cultural and personal development opportunities; business and industry training opportunities; and support of economic development for the central Alabama region.

4. Montgomery Job Corps Center

1145 Air Base Blvd., Montgomery, AL 36108  
(334) 262-8883

Job Corps is the nation's leading education and vocational training program and offers young people between the ages of 16 and 24 the opportunity to learn a trade, earn their high school diploma, and gain the skills necessary to begin a successful career.

5. Elmore County Technical Center

800 Kelly Fitzpatrick Drive, Wetumpka, AL 36092  
(334) 567-1218  
Director: Carl Thomas

Elmore County Technical School offers training in 10 different career paths. The Center strives to prepare all students with the skills and work experience necessary for successful employment and continuing education. Students at Elmore County Technical Center will actively participate in their education and leave the school with the skills, knowledge, discipline and character to succeed in the next phase of their lives.

6. Southern Union State Community College (Opelika and Valley)

1701 LaFayette Parkway, Opelika, AL 36801  
Phone: (334) 745-6437

SUSCC is an open-door, public, two-year college operating as a part of the Alabama College System. The mission of the College is to provide quality academic, technical, and health science programs, which are affordable, accessible, and responsive to the needs of the community, business, industry, and government. As an open-door institution, the College provides an educational program that complements the various ability levels of a diverse student population. In support of these efforts, the College employs a highly qualified staff, which is active in the planning and evaluation of all programs. The education offered allows for successful transfer entry into upper-level study at a senior college or university, trains for immediate employment upon completion of a technically-oriented program, and provides educational opportunities for those students interested in careers in the health care field.

7. Central Alabama Community College (Alex City)

1675 Cherokee Rd , Alexander City, AL 35010  
Phone: (256) 234-6346

Central Alabama Community College is a public 2-year institution of higher education that offers technical and associate degrees and certificates. It provides the residents of central Alabama with continuing opportunities for the development of knowledge and skills through programs that are affordable, accessible, and responsive to the needs of community, business, industry, and government.

8. Chattahoochee Valley Community College (Phenix City)

P.O. Box 1000, 2602 College Drive, Phenix City, AL 36869  
Telephone: 334 291-4929; 334 291-4900

CVCC was established in 1973. From its simple beginnings it has expanded to offer a wide range of associate degrees and is recognized for providing a quality education at an affordable price. The goals of the college are to develop community services and continuing education programs, links with high schools and community agencies, and promote educational and cultural development in the surrounding area.

9. Southern Community College (Tuskegee)

205 S Main Street, Tuskegee Alabama, 36083  
Phone: 334-727-5220, Fax: 334-727-1511

Southern Community College is a two-year post-secondary technical college. The college is accredited by the Council on Occupational Education (COE). The college was founded in 1969, by Rev. Dr. Lawrence F. Haygood, Sr., who was elected President by the Board of Trustees. Haygood graduated from Stillman College of Tuscaloosa, Alabama and was the first Black to attend Union Theological Seminary located in Richmond, Virginia where he graduated with distinction in 1960.

10. Community College of the Air Force (Montgomery)

11. J. F. Ingram State Technical College (Deatsville)

12. Patterson State Technical College (Montgomery)

**C. Professional Schools**

1. Jones School of Law

5345 Atlanta Hwy., Montgomery, AL 36109-3398  
(334) 260-6210, (334) 260-6223

Thomas Goode Jones School of Law has educated lawyers for more than 75 years. Graduates are equipped with a foundation of legal knowledge along with abilities developed through an academically rigorous program. This is achieved through a collaborative effort in which faculty engage students in active, performance-based learning.

2. Air University: Maxwell Air Force Base (Montgomery)

Air University Public Affairs  
55 LeMay Plaza South  
Maxwell AFB, AL 36112-6335  
(334) 953-2014

Air University, headquartered at Maxwell Air Force Base, Ala., is a major component of Air Education and Training Command and is the Air Force's center for professional military education. Air University provides the full spectrum of Air Force education, from pre-commissioning to the highest levels of professional military education, including degree granting and professional continuing education for officers, enlisted and civilian personnel throughout their careers.

**D. Workforce Development**

1. Auburn Training Connection

144 Tichenor Ave., Suite 2, Auburn, AL 36830  
Phone: (334) 501-7270, Fax: (334) 501-7298

The mission of the ATC is to create and implement a comprehensive and accountable workforce development system that will improve the area workforce by providing basic skills training programs that will increase the quantity and quality of skills necessary to support Auburn industry/manufacturing and enhance industrial career opportunities for the citizens of Auburn, Lee County and surrounding counties.

2. Alabama Industrial Development Training (AIDT)

One Technology Court, Montgomery, Alabama 36116-3200  
Phone: 334-242-4158, TDD: 334-280-4475, Website: <http://www.aidt.edu/>

The mission of AIDT is to provide quality workforce development for Alabama's new and existing industries, and to expand the opportunities of its citizens through the jobs these industries create.

AIDT, an institute of the State's Department of Postsecondary Education, encourages economic development through job-specific training. Training services are offered in many areas, and are free of charge to new and expanding industries throughout the State.

3. [Alabama Department of Economic and Community Affairs](#) (ADECA; Montgomery)  
401 Adams Ave./ P.O. Box 5690, Montgomery, AL 36103-5690  
(334) 242-5415, Website: <http://www.adeca.state.al.us>

Provides resources to meet economic and community development needs throughout Alabama.

4. **Montgomery Career Link Center**  
190 E. South Blvd., Montgomery, AL 36116  
334-288-0326

Funded through the U.S. Department of Labor's Federal Workforce Investment Act monies, this state agency helps job seekers reach full employment by assisting with job search, preparation, training and placement. Further, the department assists employers in finding needed employees on-the-job training programs, welfare-to-work initiatives and other sources, providing training at no cost to the employer or the job seeker.

5. [Auburn University Montgomery \(AUM\) Continuing Education](#)  
PO Box 244023, Montgomery, AL 36124-4023  
334-244-3079, Website: [www.aum.edu/coned](http://www.aum.edu/coned)

Continuing Education Opportunities help adults in the workplace maintain valuable skills as well as grow and challenge themselves professionally. AUM's Continuing Education department offers Professional Development Training Courses such as Computer, Executive Development, Project Management, Bookkeeping, Customer Relations, Supervisor Training, Business Writing, Employee Interviewing and more. Additionally, the department offers a variety of special seminars and programs to address particular issues of current interest.

6. **Montgomery Job Corps Center**  
1145 Air Base Blvd., Montgomery, AL 36108  
(334) 262-8883

Job Corps is the nation's leading education and vocational training program and offers young people between the ages of 16 and 24 the opportunity to learn a trade, earn their high school diploma, and gain the skills necessary to begin a successful career.

7. [AUM Center for Advanced Technologies](#)  
75 TechnaCenter Drive, Montgomery, AL 36117  
334-244-3090, Website: [www.cat.aum.edu](http://www.cat.aum.edu)

The Center for Advanced Technologies provides computer training, technology consulting and support, and technical and computer courses for all levels of experience from introductory to advanced, including classes in word processing, databases, spreadsheets, programming, computer security, and web development and design. Microsoft development, programming, or engineering certifications or computer maintenance certifications are also available. More than 3,000 online courses with topics including computer basics, information technology, manufacturing, management and leadership training and key work skills are also available.

8. **Central Alabama Opportunities Industrialization Center (OIC; Montgomery)**  
2035 Mobile Road, Montgomery, AL 36108  
334-265-1594

Central Alabama OIC offers career preparation, training and assistance programs such as the Welfare-to-Work Outreach Program for clients who receive government subsidies, and early childhood development center for children ages 36 months to school age, and affordable homebuyer program, wellness program, basic education/GED preparation/job placement program for youth 16-21 years of age, an on-the-job/supportive services training program for women and

others in highway construction, a dislocated workers program in word processing skills (ages 19 and up), and the Welfare-to-Work Hospitality Training Program.

9. Montgomery Public Schools Career and Technical Education

1153 S. Lawrence St., Montgomery, AL 36104  
334-269-3613, Website: [www.mps.k12.al.us](http://www.mps.k12.al.us)

The Montgomery Public School's Career and Technical Education program offers a rigorous curriculum that prepares students for both the world of work and lifelong learning. Career and Technical Education is a vital part of the educational process that teaches and enhances the knowledge base, mental awareness and skills needed to succeed in the global workforce. Career Tech provides activities and instruction for students K-12, with career awareness for elementary, career exploration for middle and junior high and career discovery for senior high. This sequence allows students to make knowledgeable and informed decisions regarding the academic and skill level requirements of their chosen career pathway. All programs have met Business and Industry Standards and ISO 9000 Certification.

10. Job Corps (Lee County)

Job Corps is the nation's leading education and vocational training program and offers young people between the ages of 16 and 24 the opportunity to learn a trade, earn their high school diploma, and gain the skills necessary to begin a successful career.
